

Telguard Online – Dealer Sign Up Instructions

Telular's Online Management System is a secure internet portal that allows security dealers and central stations to quickly and efficiently manage Telguard-based services, 24/7. This advanced tool is easy to use, has multi-level authorization and provides total account management of UL Listed Telguard Digital cellular alarm communicators.

Security dealers and central stations can register, configure, activate & change Telguard units; view subscriber activity; access unit status and test; view billing and history data, and much more. All information is near real time with numerous reports available in both individual unit and summary formats.

❖ *Sign up for New Dealers*

- Visit www.telguardonline.com
- Select "Dealer Sign-up"
- Complete company, contact & dealer information
- Accept "Terms & Conditions"
- Review and approval of pending accounts will be conducted within 24 hours of submission by Telular Corporation
- Email confirmation of approval will be sent by Telular Corporation to the respective email address provided during "Dealer Sign-up"

❖ *Existing Telular Dealers (One Location or Independent)*

- Contact your Telular Regional Sales Consultant
- Have your dealer number and contact email address handy
- An invitation email to Telguard Online will be generated to the provided email address
- Select the link contained in the invitation email
- Confirm billing address
- Follow instructions for establishing a password
- Select the "Login" link
- Enter email address and established password
- All existing accounts for said dealer number will now be available through Telguard Online

❖ *Existing Telular Dealers (Multi-location, Regional or National)*

- Contact Amanda Carroll at (678) 909-4601 or acarroll@telular.com
